Mainstream School Transport – September 2019

Pupils from Reception to Year 11 are automatically assessed for free mainstream school transport. Pupils of primary school age qualify for free school transport if they live **over 2 miles from their catchment area school**, using the shortest available walking route. Pupils of secondary school age qualify for free school transport if they live **over 3 miles from their catchment school, using the shortest available walking route.**

No forms are required to be completed and signed and letters/passes will be sent directly to home addresses no later than Friday 23 August 2019. Only pupils who were late enrolments, have recently moved address or will be entering Post 16 in September (Year 12) will need to contact the school transport team (email: schooltransport@valeofglamorgan.gov.uk).

New Intake - Reception & Year 7

All the Reception and Year 7 pupils have been assessed and the entitled children will be sent a letter/bus pass to their home address by Friday 23 August 2019 so if there any problems we have time to make adjustments over the summer holidays. If you have not received your bus pass or letter by Friday 23 August 2019 please contact the school transport team (email: schooltransport@valeofglamorgan.gov.uk).

Year 1 to Year 11

All existing pupils that have had free school transport this year will automatically receive a letter/bus pass which will be sent to the parent/guardian home address (***please contact us if you have moved recently***) along with the route timetable. If you have not received your bus pass/letter by Friday 23 August 2019 please contact the school transport team (email: schooltransport@valeofglamorgan.gov.uk).

Post 16 Pupils (Year 12-Year 13)

Pupils who are entering Year 12 wishing to continue their studies from September 2019 (attending their catchment school or St David's College) will need to inform the school transport team no later than Monday 26 August 2019 in order to receive their pass for the beginning of September. Please email schooltransport@valeofglamorgan.gov.uk at your earliest convenience if you have not already done so.

Non entitled children:

Purchase a bus pass on a contracted school service

Those pupils who do not qualify for free school transport but wish to purchase a spare seat on a contracted school bus can complete and send in an application from 22 July 2019 (forms will be available on the Council website). They are treated on a first come first served basis. However, as we have to allocate Post16 pupils who may not decide to re-attend school/college until after results day in late August we cannot allocate any purchasers until the third week of September, at the earliest. The cost of a pass will be £300 from September 2019 (£100 per term).

Fare paying Services

Details regarding fare paying services can be found on the School Transport web page. From September 2019 fares will be £1 for a single journey, £2 for a return journey and £300 for an annual ticket (£100 per term).

All matters relating to school transport can be found at

Those pupils who qualify for free school transport agree to adhere to the Vale of Glamorgan Council Schools transport policy and Welsh Government travel behaviour code.
