

A Level Results 2019

Students at Barry Sixth Form are celebrating an outstanding set of both A Level and BTEC results with 98% of pupils achieving the Level 3 Threshold of 2 A Levels at grades A*-E, with a very impressive 22% of pupils achieving 3 A* and A grades.

Head of Barry Sixth Form Steven Jones said "I am very proud of our students today. The fantastic results that they have received today is a reflection not only of their own hard work over two years, but also the passion and dedication of our teaching staff.

This morning our students at both Pencoedre and Whitmore High Schools have been celebrating their success with their friends and families and we have been delighted to share this experience with them.

Parents across the town will be very proud of the students' achievements and I would like to thank them for their support. I wish our students the very best in the next stage of their lives secure that they will continue to work hard; have high aspirations and be a credit to the town".

Some of the outstanding achievements include:
