        Abstract

            Unusual

Portrait one

- Create a black and white portrait based on the photo of yourself.

Remember:

- Give yourself guidelines
- Consider the Lightsource
- Add Shading
- Blending tones carefully from light to dark.

Portrait two

- Create a second portrait using oil pastels

Light tone

Mid-tone

Dark tone

USE ONLY THREE COLOURS IN A HATCHING STYLE

Collage both portraits

- Cut each portrait in a range of ways and collage together.
