

Imagine you are Dr Livesey. Write a diary entry explaining your thoughts and feelings about your adventure so far.

Complete by hand, Word or Google Docs and submit via Google Classrooms or email.

What is a diary entry?

A diary entry records the writer's thoughts and feelings (as well as what has happened) over a period of time. The entry could be about an event over a few days or just one day in particular.

Things to consider:

Purpose: What is the purpose of a diary entry?

Audience: Who will read the diary?

Format: What is the layout of a diary entry?

Tone: What tone would you use?

My expectations:

- **Accurate punctuation**
- **Ambitious word choice**
- **A range of sentence structures & lengths**
- **Use 1st person throughout**
- **Accurate spelling**

YOU SHOULD AIM TO WRITE 3 PARAGRAPHS FOR THIS TASK.
