

Application for Barry Sixth Form – Entry September 2020

Dear applicant,

We are pleased that you would like to continue your Post-16 education at Barry Sixth Form. Please find overleaf the subject option columns for September 2020. All students will have an expectation to select a minimum of 3 subjects, with the majority selecting 4 subjects from the five columns. All of the courses on offer are either GCE A-Level or BTEC Level 3 qualifications.

The main enrolment day for Barry Sixth Form would normally take place on GCSE results during August. With the uncertainties that accompany Covid19, along with the current guidelines for social distancing, it remains unclear how results day will actually function this year. As we learn more, updates will be posted on the respective websites for Whitmore and Pencoedre High Schools.

You can also make a formal application by downloading this attachment, completing the personal details section and indicating your choice of subjects.

Completed forms should be returned as attachments to Barry6thform@valelearning.com

Please direct any questions or requests for further information also to this website.

Yours sincerely,

Mr S Jones

Assistant Headteacher Barry Sixth Form
