

Music Work to be completed in the June/July term:

Year 7 Music: Complete the second 'World Music' unit on 'Calypso'. If possible, practice and learn some of the keyboard / ukulele music that is available as well. (You can download free keyboard/ piano apps for tablets and phones.) All the materials are in the Google classrooms. General class code is: **btapign**

Year 8 Music: Complete the third 'World Music' unit on 'Salsa'. If possible, practice and learn some of the keyboard / ukulele music that is available as well. (You can download free keyboard/ piano apps for tablets and phones.) All the materials are in the Google classrooms. General class code is: **5wexf2d**

Year 9 Music: Complete the GCSE preparation unit on 'Film Music.' This unit will link to 'Area of Study 3' of the WJEC GCSE Music course. If possible, practice and learn some of the keyboard music that is available. This is to help develop your piano skills in preparation for the performance and composition elements of the course. (You can download free keyboard/ piano apps for tablets and phones.) All the materials are in the Google classrooms. General class code is: **5wcui3p**

Year 10 Music: Complete unit on 'Film Music.' This unit will link to 'Area of Study 3' of the WJEC GCSE Music course. If possible, practice and learn some of the keyboard music that is available. This will help to continue to develop your piano skills in support of composition and performance in some cases. (You can download free keyboard/ piano apps for tablets and phones.) All the materials are in the Google classrooms. General class code is: **szvznwf**

Year 11 into 12 Music: Complete the unit of work on 'Chords and Cadences.' You will need to understand this in detail to help with improved composition skills. It will also be beneficial with the appraising and analysis of the set works. All the materials are in the Google classrooms. General class code is: **upgrbn7**

Year 12 Music: Listen to the three 'Welsh Chamber Music' set works for A2. Using the analytical power points that have been created, try to develop a better understanding of the three pieces and the composition processes used. (You need to have an in-depth knowledge of all three pieces to be able to study and understand the scores in September.) All the materials are in the Google classrooms. General class code is: **hw5bomp**

FILM STUDIES:

Year 11 into 12 Film Studies: The list of films you will be studying over the next year are available in google classrooms. Many of the films can be found on-line. To understand these films and have viewed them before the course begins will be hugely beneficial to you. It will also help with the appraising and analysis of the set films. All the materials are in the Google classrooms. General class code is: **cne2ovg**
