Whitmore High School
# Independent Learning Projects for ICT

Year 7 & 8 Communication Task: Design a Key workers Poster

Using the examples below and inspiration from the internet, complete the following task:

Using word processing software, create a 'support key workers' poster that can be displayed in your window and on the school website.

Remember... All students have free access to Microsoft Office 365 through their school email address.

If you don't have computer access, then then feel free to hand draw one and send a picture to our ICT Twitter account: @ict_computing

ICT Skills to think about and use to help you improve your work.

- Formatting text – being able to change font size & font type
- Using Bullet Points
- Copy and pasting images from the Internet
- Editing the images
- Be able to text wrap an object to position image
