

Diary of my Whitmore Day.

The day before I spend 10 or 15 minutes getting my things for the next day ready in my bag.

Here is how my day starts:

I wake up around 7am, shower and get dressed. I then go downstairs and have breakfast. Once I have finished, I will leave my house at about 7:50am to meet my friends at a certain place and arrive at school around 8:20am. We then sit in the atrium until the bell goes off and you HAVE to go to your form class - once a week for year 7's you will go into the hall for an assembly by Mr Williams until first lesson. In form your teacher will go over the Daily Act of Collective Worship (I know what you are thinking but it will all make sense!) or give out any news.

At 8:55 through to 10:55, lesson 1&2 then 10:55 to 11:20 it's break. I go to the canteen to meet the boys and have a chat and get a drink. Some of the water bottles are impossible to open (you will find out). After this you go to period 3 and 4, this takes you to lunch. You can bring your own food or get something from the canteen, Fridays are the best as it is Chippy Day! We then head over to the Astro to meet friends and make new friends. Really to play football, mess about and have fun.

Lesson 5 last lesson of the day 1:55pm to 2:55pm. This usually is the longest lesson of the day (it just feels like it to me).

When I get home then I unpack my bag, answer mum's questions about my day then sit down and relax. I try and get any homework done straight away in the week as soon as I can as I play a lot of sport and want my weekends for me.

Finally:

If you need any help or you are worried about ANYTHING I promise you, you won't be on your own and you should discuss any concerns with Mr Williams. I did and you should see me now!

Hints and tips

- If it's winter and you are leaving early in the morning, remember to wear a really warm coat.
- You are not supposed to eat on the Astro at lunch - we usually share each other's food (a good way to make friends!)
- You can bring your own football to play on the Astro at lunchtime, but look after it!
- Most of all have fun!
