Dear Parent/Guardian

If you would like to put your child into the HWB please can you email: kennedym21@hwbmail.net

### Pupils eligible to attend school

Schools will only be open until further notice to vulnerable pupils identified by individual schools or the children of critical workers. Schools are required to have due regard to the list of critical workers which can be accessed via the following link:

<https://gov.wales/coronavirus-critical-key-workers-test-eligibility>

Dependent on capacity at individual schools, priority should be given to the following critical workers:

- Blue light workers, including NHS, Police and Fire Service staff
- Social care staff (including care workers)
- Front line childcare or education staff

Only one parent needs to be a critical worker to be eligible to access provision. In the case of vulnerable pupils, individual schools will determine and contact parents / carers directly.

Vulnerable learners who may need to access on-site provision include:

- children looked after (CLA) where placement has been assessed as at risk of breakdown;
- pupils on the child protection register;
- young carers;
- pupils in need of care and support from social care; and
- pupils with statements of special educational needs.

### School opening hours

School opening hours will remain the normal school hours. Provision of breakfast club is not currently required.

Please can you email: kennedym21@hwbmail.net to arrange a place for your child. Please do not send your child into school until a place has been confirmed.

Thank you,

*Mark Kennedy*
