8th January 2021

Dear parent/carer

Addition of Live Lessons

Today the Welsh Government have made the decision to move to online learning until the start of February with the likelihood that pupils will not return to the classroom before half term.

We have been delighted with the engagement from pupils with our online offer. Despite this, we understand that pupils will need an enhanced provision for such a long period of home learning. With that in mind we have developed a model which ensures pupils have live lessons as part of their school day. Below is an example of a typical day that your child will have at Whitmore during the lockdown.

Live
Webinar (Video Lesson)
Self-Study

	Monday
1	Maths
2	French
	Tutor time
3	English
4	Spanish
5	Art

This mixture of live lessons, webinars and self-study will provide pupils with a variety of learning opportunities to ensure they are fully engaged. Pupils will be receiving their timetables in tutor time on Goggle Classroom by Wednesday next week. We will then start a phased introduction of the live lessons starting with Maths, English and Science. By Monday 18th January, we expect to have to whole process up and running.

More information on how to access these lessons will be sent on Monday. If you have any questions or concerns, please contact the school reception.

Kind Regards

Innes Robinson
Head of School
