Dear Parent / Carer,

You may have seen that we are having a parents evening for Years 7-9 this term. This will be with their form teacher to provide a holistic view of how their child is doing in school. For Year 10 pupils, we felt it was important for parents to be able to speak to each of the subject teachers for an extended time. We also want to ensure that we provide you with recent assessment data for how your child is performing in each lesson. With this in mind, we have decided to have a full parents evening for current year 10 pupils at the end of September. We will then have a further parents evening prior to their summer examinations.

If you would like to speak to the Head of Year or your child's form teacher before the summer holidays, please contact the school and this will be arranged.

Kind Regards

Innes Robinson  
Head of School
