19th September 2023

Dear parent/carer,

The new Year 7 have made an excellent start to life at Whitmore High School. At this early stage, we find it useful to offer parents information on how to best support their son or daughter in the next few years of school.

All Year 7 parents are invited to a transition evening, where you will get the chance to see some quick presentations on English, Maths and Science regarding how to support your child through academic disciplines. There is also an opportunity to listen to a guide to extra-curricular aspects of school life and a greater understanding of digital learning. The evening is also an opportunity for parents to ask any questions arising from the first few weeks of school.

The evening begins at **4:00pm on Thursday 28th September**. The evening will begin in the school hall. At the end of the carousel sessions, you will also have an opportunity to speak to your son/daughter's form teacher; Mr Davies the ALNCO and Mr Ware the Year 7 leader of learning if needed.

We hope you are able to attend the evening, so you can feel more confident in the ways to best support your son and daughter at Whitmore High School.

If you have any questions, please don't hesitate to contact the school.

We look forward to seeing you.

Yours sincerely,

Mr Robinson
Head Teacher
