What happens if pupils do not meet expectations of Aspire?

Accepting an invitation to the Aspire programme is **not compulsory**.

An acceptance of the invitation means a **commitment** to being part of the Aspire group and benefitting from it.

We have set **high expectations** and if they are not maintained, we will support pupils to help them.

However, consistently falling below the standards set will lead to **other pupils** being given the opportunity to be part of Aspire in their place.
