

Whitmore High School

Physical Education Department

Participation Policy

The Expectation is 100% Participation

- At Whitmore High School it is important to us that all pupils strive to be resilient, work hard, show respect and display responsibility in every area of school life.
- The PE department support this through our ethos of aiming for **100% participation**.
- This means that **all pupils are required to bring full and correct PE kit for every lesson, even if a medical note is provided.**

When kit is not brought to lessons

- When kit is not brought to lessons (**even accompanied with a note***), **clean PE kit will be provided to allow participation** and the following process will be applied (*process applies half termly*):
 - First occasion: discussion and reflection with PE teacher.
 - Second occasion: after school detention.
 - Third occasion: after school detention and PE teacher phone call to discuss with parent/guardian.
 - Fourth occasion onwards: after school detention and information shared with Head of Year.
 - **Any refusal to wear kit from the PE store will result in a 'Crossing the Red Line' issued and after school detention.**
 - ***The situation of each pupil will be dealt with on an individual basis e.g. pupils are exempt from above if medically excused with broken bones etc.**

Medical Notes

- We understand that there are occasions when pupils will be unable to take a full active part in a lesson due to a medical condition or if they are recovering from illness or injury.
- When this happens, PE staff will endeavour to keep pupils as involved as possible so that they can continue their learning alongside their classmates.
- If a pupil is injured or unwell the following procedures should be followed:
 - **Pupils must still bring their PE kit along with a note explaining their condition.**
 - Their PE teacher will then discuss with them what they are able to do. Sometimes this will be taking part in some of the lesson; other times this will be taking on **alternative roles** within the lesson such as leadership, officiating or evaluating peer performance.
 - **Pupils must change into their PE kit to carry out these roles.**
- **Any refusal to wear kit from the PE store: will result in a 'Crossing the Red Line' issued and after school detention.**
- **The situation of each pupil will be dealt with on an individual basis e.g. pupils are exempt from above if medically excused with broken bones etc.**

The benefits of this policy

- All pupils are **participating in the lesson, even if they can't access every element.**
- All pupils are in kit, which creates a **sense of unity.**
- All pupils are **prepared** to participate with their class, whether they are indoors or outdoors.
- All pupils are **contributing to the lesson and enhancing their learning experience.**
- All pupils will benefit from learning **different roles** such as performer, referee, score keeper, peer assessor etc.
- All pupils are **taking responsibility for their learning**; by bringing their PE kit and discussing any issues they have with their PE teacher, we are encouraging a more mature approach to their education.

Hair and Jewellery

- Long hair should always be **tied back**.
- For their safety, pupils must ensure that **all jewellery** including piercings, chains and watches are removed when participating in PE and placed in their bag.

Personal Belongings

- All PE kit must be **clearly marked** with the pupil's full name.
- The PE department strongly recommend that **no valuables are brought into school**, especially on the days when pupils have PE.
- **The school cannot accept responsibility for loss or damage of personal property.**

Items left after lessons

- Any items left at the **end of each day** will be taken to lost property.

Kit Checklist

- Whitmore High School PE kit can be purchased from the suppliers listed, with other items found in sports stores.
